Dear Applicant,

Thank you for your interest in graduate study at the Zicklin School of Business at Baruch College. We are delighted that you are considering us in your future plans. Baruch College has a long and notable history with roots in the Free Academy, founded in 1847 as the country’s first institution of free higher public education. With support and funding from statesmen, financiers, friends, and alumni, Baruch’s business school of the early 1900s has grown into today’s Zicklin School of Business, recognized among the best business schools in the world.

The Zicklin School offers graduate study leading to both Master of Business Administration (MBA) and Master of Science (MS) degrees in a wide range of majors/concentrations. We are extremely proud of some of our most recent rankings and awards, including:

- **Number 1 in Financial Value at Graduation**
  Of the 437 business schools surveyed by *U.S. News & World Report* in 2010, the Zicklin School of Business and its MBA program were highlighted as the best choice for students to earn the most in their first year after graduation relative to their debt load. In addition to this survey, the Zicklin School jumped eight spots—to number 85—in the annual *U.S. News* “Best Graduate School Rankings.”

- **National Recognition by *Forbes* Magazine**
  For the first time, the Zicklin School of Business has been ranked among the nation’s “Best Business Schools” by *Forbes* magazine.

We have also won acclaim from such surveys and publications as *Accounting Today*, Beyond Grey Pinstripes, *Consumers Digest*, *Entrepreneurship* magazine, *Newsweek*, the Princeton Review, Public Accounting Report, and the *Wall Street Journal*.

The Zicklin School’s graduate students are among the best in the nation, recently winning such competitions as the Baruch College and Merrill Lynch Invitational Entrepreneurship Competition, the Direct Marketing Educational Foundation’s Collegiate ECHO Competition, the Executive Leadership Council Business Case Competition, and TeamMBA Awards Competition. For more information about competitions open to all students, visit our website at www.baruch.cuny.edu/bizcompetitions.

We are extremely proud of our alumni, our students, our faculty, and our staff—for all of them are part of this great institution—and without them we could not succeed. We invite you to join us. Opening this application is the first step. We hope that the information contained in these pages will help you as you move forward. To assist you in assessing your graduate school credentials, our current admission criteria are on our web page. We also offer many ways for you to visit and communicate with us: Information Sessions, Admission Briefings, On-Line Chats, and Campus Tours. We look forward to meeting you very soon.

Come and join the excitement that is Baruch College.

Except for Zicklin MBA and MS alumni, we regret that we are currently unable to accommodate students interested in taking a course or two on a non-matriculated basis.
APPLICATION TIMING AND DEADLINES (Apply Early!)

Applicants are encouraged to submit applications as early as possible. Applying early avoids the deadline crunch and gives applicants the most time for important preparatory steps to ensure success upon enrollment.

To guarantee an admissions decision for the term you are seeking, all application forms and supporting credentials must be in the Office of Graduate Admissions by the deadlines. See p. 5 for specific information regarding deadlines for standardized tests.

Go to http://zicklin.baruch.cuny.edu/admissions/grad/apply/application-deadlines for actual deadline dates and information about review rounds.

Application Requirements

Undergraduate Degree
Admission is open to anyone who has completed a regionally accredited U.S. bachelor’s degree or its equivalent from another country. All undergraduate majors are acceptable preparation for most of our programs (restrictions on enrollment appear on p. 2).

For applicants educated abroad: Please note that your undergraduate degree must include the equivalent of at least 4 years of postsecondary education and be recognized as equal to a regionally accredited U.S. bachelor’s degree.

Forms and Submissions
The application form, essay(s), and resume are submitted electronically. You can also have your recommenders submit their forms through our online system. To apply online, go to www.baruch.cuny.edu/zicklin/admissions/grad/apply.

Transcripts must be mailed separately to Zicklin’s Office of Graduate Admissions (see application p. B1 for instructions).

The following items are submitted as part of the application procedure:

➤ Personal Information Form (pp. A1–A6)

➤ Transcripts (Transcript Request Form can be found on page B1. Photocopy the form if you need more than one.)

- All Applicants must submit Official Transcripts* from ALL postsecondary academic work at colleges and universities (including study abroad, community colleges, and summer programs). All documents must be submitted in school-sealed envelopes.

- Applicants Educated Outside the United States
  Zicklin’s Office of Graduate Admissions requires that some applicants educated outside the United States provide transcript evaluations. For more information and instructions and to see the list of countries for which foreign transcript evaluations are required, please go to our website at www.baruch.cuny.edu/zicklin/admissions/grad/apply/international-students.

*To be considered official, transcripts must have been sent directly from the school attended to the Zicklin Office of Graduate Admissions or to the applicant, who puts them together—unopened—with the other application forms to be sent to Zicklin’s Office of Graduate Admissions.
When employing the services of an agency*, please provide the agency with original, official transcripts and be sure they:

- Provide a course-by-course evaluation
- Indicate their policy regarding which documents the agency used and allowed in the evaluation process (agencies that use personal student copies for the evaluation process may not be accepted for our admissions review process)
- Are able to send evaluations directly to the Office of Graduate Admissions, Zicklin School of Business

All applicants who earned a degree or certificate in a country outside the U.S. must also provide a photocopy of the diploma or certificate in the original language.

➢ Standardized Tests:

- All MBA and MS applicants must submit official scores from EITHER the Graduate Management Admission Test (GMAT) or the Graduate Record Examinations (GRE) General Test.
  - For GMAT information and registration materials, please go to www.mba.com/mba.
  - For GRE information and registration materials, please go to the Educational Testing Service (ETS) website at www.gre.org. The ETS code to designate that GRE scores are sent to Baruch’s Zicklin School of Business is 2034.

  The requirement to submit GMAT or GRE scores is never waived for any reason.

- All applicants whose native language is not English or who do not have a U.S. undergraduate or graduate degree must also submit official scores from one of the following English language tests:
  - TOEFL and TWE or Internet-based TOEFL (iBT): Check the TOEFL website (www.toefl.org) for more information about which version of the TOEFL is available in your area. Baruch will accept current scores from any version. The ETS code to designate that TOEFL/TWE scores are sent to Baruch’s Zicklin School of Business is 2034.
  - or
  - Pearson Test of English (PTE): The Pearson Test of English (PTE) has recently been introduced in various countries around the world. For PTE information, go to www.pearsonvue.com/pte.

Required standardized tests are almost exclusively computer based and are offered regularly by appointment. Please refer to the information you receive with the test registration materials. You should submit your application as soon as it is ready even if you have not yet taken the standardized tests. However, it is best to schedule the examinations before you submit your Baruch application. To ensure the smooth processing of your application, it is best to take your tests no later than 15 days before your application deadline. Please note that there is no conditional, or probationary, admission status available pending receipt of test scores.

*The Zicklin School at Baruch College/CUNY does not endorse or recommend any particular evaluation agency. We use the information from these agencies as guidelines only. We have our own internal policy regarding transcripts from certain countries.
Essays

- Required Essays (see application p. A4 for instructions)
- Optional Essay: All applicants may submit an additional essay about anything not covered in the application materials.

Current, One-Page Resume

Two Letters of Recommendation (see pp. C1–C2): Recommendations should come from your current employer, or manager, or a recent professor who knows you well. Personal references from relatives, friends, co-workers, or classmates are not acceptable. Recommendations in languages other than English must be accompanied by official English translations.

Application Fee*: The application fee of $135 is payable by credit card through our online application system. If you choose to submit a paper application, the fee is $125 and is payable by check or money order to “Baruch College.” Do not send cash.

*Tuition and fees are subject to change.

Other Documents

- International applicants who will need a Student Visa (F-1) to study in the U.S. must submit the following additional documents:
  - Certificate of Eligibility and Declaration and Certification of Finances forms (pp. D1–D5)
  - All supporting documents

These documents should be submitted to the Zicklin’s Office of Graduate Admissions with your other application materials. Submitting the required financial documentation at application time will assist Zicklin in expediting the issuance of the I-20, should you be admitted. Please note that new immigration requirements for international students may require that you submit updated financial documents in order to receive the I-20 form.

Zicklin Graduate Alumni: Special Abbreviated Application Procedure

All Zicklin MBA or MS alumni who wish to apply for a second graduate degree need only provide the following:
- Personal Information Form, pp. A1–A6
- Brief essay stating the reasons for pursuing the second degree
- Current resume
- Application processing fee
- Current GMAT or GRE scores (if you took the GMAT for admission into your previous Zicklin program, you may not need to retake the test)

International students who are studying on F-1 visas must apply for a new F-1 visa for the second degree. Therefore, these students must also complete pp. D1–D5 of the application and provide the financial documentation required for the I-20.

Note: Zicklin alumni are limited in their choice of second degree. MS graduates may apply for the MBA or a second MS in another field. MBA alumni may only apply for the MS. Alumni who wish to take just a few additional courses should contact the Zicklin Office of Graduate Academic Services to discuss what is available.
Applicants who are honorably discharged veterans of the United States Military Service, currently on active duty, or members of the National Guard or Reserves are exempt from paying the application fee (except for a slight processing charge).

For information on how to proceed, contact the director of admissions at ZicklinGradAdmissions@baruch.cuny.edu before you submit your application. Indicate in the subject of the e-mail “Military Application Fee Waiver.”

Applicants are admitted based on their academic and management accomplishments and potential. On the academic side, the primary indicator is the level of success achieved in previous postsecondary academic programs: grades, selectivity of the school, and technical difficulty of the courses and major area(s). Also important are standardized test scores (not only the overall score but scores on each individual section).

Management potential is indicated by the nature and extent of the full-time work experience, evidence of leadership roles, and relevant interpersonal and other skills. Prospective applicants to our MBA and MS programs are encouraged to work for several years before enrolling. The Admissions Committee expects applicants, in light of their experience and talents, to make a solid case for both their educational and career plans.

Other selection criteria include high levels of motivation for and commitment to a graduate program and strong communication skills. All claims for special consideration (e.g., military experience, medical situation) should be substantiated by submitting appropriate documentation.

Interviews are part of the admissions process only for students selected for the Full-Time MBA Program and for the Baruch/Mt. Sinai MBA Program in Health Care Administration. Students for these programs are contacted after their applications are complete and have been reviewed.

Employers have consistently and unambiguously regarded the oral and written communication skills of graduate business students as essential to their success. Based on surveys of employers—and feedback from faculty, students, and recruiters—the Zicklin School of Business has added two business communications courses into the MBA core curriculum.

All MBA students take Business Communication I (BusCom I) and Business Communication II (BusCom II) concurrently with other core courses. At the conclusion of BusCom I, each student’s communication skills will be evaluated, and each MBA student will receive a personal assessment for his or her future use.

In addition, all MS students from non-English-speaking countries or whose native language is not English will be required to take up to four English-language modules. The admission letter will indicate this requirement. MS students have an opportunity to waive one or more of the required language courses by taking a waiver exam given just before classes begin. Waiver exam dates and information are provided on the New Student webpages found at www.baruch.cuny.edu/zicklin/admissions/grad.
Applicants and prospective applicants—especially those with additional questions—are encouraged to register for one of the Zicklin School's Information Sessions, Admission Briefings, Campus Tours, or On-Line Chats at www.baruch.cuny.edu/zicklin/admissions/grad.
