
Conference Presentation Support for Ph.D. Students Application for the 2011-2012 Academic Year

The 2011-2012 Conference Presentation Support fund will provide funds to Graduate Center doctoral students in Ph.D. programs (Audiology, Physical Therapy, Public Health, & Nursing not eligible) for travel to professional meetings and conferences to present invited papers and posters or to participate in scheduled sessions. The 2011-2012 Conference Presentation Support fund will provide more than 300 awards, to a maximum of \$300 each. The grant may be used for travel, lodging or other expenses related directly to research presentation or participation.

Eligibility

Applicants must be registered full-time doctoral students and within seven years of their first semester of enrollment.

Applicants must be presenting a paper or poster or participating at a scholarly professional or student organized conference and must include *The Graduate Center, CUNY* as their academic affiliation for the conference program. Attendance only can NOT be funded.

Prior to approval, eligibility for funding will be evaluated upon submission of an application together with documentation of acceptance to present or participate at a professional or student organized conference. For those awarded funding, original receipts and documentation of the student's participation must be submitted to the Office of the Vice President of Student Affairs within three weeks after the conference, or the award will be forfeited. Applicants may apply for funding while waiting for confirmation of acceptance by conference organizers, but no grant will be issued without submission of proper documentation of conference participation.

Doctoral students may receive only one Conference Presentation Support grant per academic year.

Application and Selection Process

Applications will be available at the beginning of the Fall and Spring semesters for conferences taking place within that semester's time period. Applications will be accepted starting September 1, 2011 for conferences between June 1, 2011 and December 31, 2011. Applications for conferences taking place between January 1, 2012 and May 31, 2012 will be accepted starting February 1, 2012. Because funds are limited, applications will only be accepted on a first-come, first-served basis. Awards will be made each semester until funds are exhausted.

Applicants may only apply for one conference in the 2011-2012 academic year. Any applications submitted in the Fall semester for conferences taking place during the Spring semester will be ineligible for funding. Any applications submitted in the Spring semester for conferences that took place during the previous Summer or Fall semesters will also be ineligible for funding.

Conference Presentation Support for Ph.D. Students

Fall 2011* application for presentation or participation at scholarly conferences occurring between June 1, 2011 and December 31, 2011
