

Theodore Joyce

Office: Baruch College
Department of Economics and Finance
Box 10-225
55 Lexington Ave.
New York, New York
Phone: (646) 312-3541 Fax: (646) 312-3451

Office: National Bureau of Economic Research, Inc.
5 Hanover Square, 16th Fl., Suite 1602
New York, New York 10004
Phone: (917) 783-4404
E-mail: theodore.joyce@baruch.cuny.edu

Education

Ph.D. in Economics, City University of New York Graduate
Center, 1985 Fields of Concentration: Labor and Health

B.A., University of Massachusetts, 1976; Major: Education (Certificate in
Bilingual Education)

Academic and Professional Honors

Inaugural Sidney Lirtzman Award for excellence in Teaching, Research and Service, 2005
Presidential Award for Excellence in Teaching, 2003
Presidential Award for Excellence in Scholarship, 1994, 2008
Presidential Award for Excellence in Service, 2012

Professional Experience

1994 - Present: Professor, Department of Economics and Finance, Baruch
College, City University of New York.

1992 - Present: Doctoral Faculty, Ph.D. Program in Economics, Graduate
Center, CUNY

1991 - Present: Research Associate, National Bureau of Economic
Research, New York, N.Y. Health Economics Program

- 2017, October Visiting Scholar, Leonard Schaeffer Center for Health Policy, USC
- 2016, October Visiting Scholar, ANSIRH, University of California at San Francisco
- 2014, May Visiting Faculty, University of Melbourne, Department of Economics 2012, March Visiting Scholar, RAND Health Economics Program
- 1991 - 1993 Associate Professor, Department of Economics and Finance, Baruch College, City University of New York.
- 1990 - 1991 Associate Professor (with tenure), Baruch College, Department of Health Care Administration, City University of New York.
- 1986 - 1989: Assistant Professor, Baruch College, Department of Health Care Administration, City University of New York.
- 1985 - 1991: Faculty Research Fellow, National Bureau of Economic Research, Health Economics Program, New York, N.Y.
- 1985 - 1986: Assistant Professor of Economics, Department of Economics, Iona College, New Rochelle, N.Y.

Moyano, Paloma and Ted Joyce. "An Honor and a Privilege: Effect of an Honors College on Student Outcomes." Under review at *Economics of Education Review*.

Funded Research

Principal Investigator. "Determinants of Maternal E-Cigarette Use." PSC-CUNY 63543-00 51 July 1, 2020-June 30, 2021. \$6,000

Co-Principal Investigator (Robert Kaestner, PI). "Legal Issues Related to Teen Fertility." From the National Institutes on Child Health and Human Development to the National Bureau of Economic Research, August 2015-July 2018, \$268,821.

Principal Investigator. "Association between Inter-pregnancy Interval and Maternal Health Outcomes among WIC Participants." From United States Department of Agriculture and University of California at Los Angeles to the Research Foundation of the City University of New York, August, 2012-July, 2016, \$71,734.

Principal Investigator. "A Randomized Field Experiment of a Hybrid versus Traditional

Economics Lecture.” Collaborative Incentive Research Grant Program Round 20, August 31, 2013-July 31, 2014, \$25,260.

Principal Investigator. “Efficacy and Effectiveness of a Peer Counseling Program to Promote Breastfeeding.” From the National Institutes on Child Health and Human Development to the Research Foundation of the City University of New York, From August 6, 2012 to August 1, 2014, \$160,900.

Principal Investigator. “Effect of New WIC Food Packages on Breastfeeding and Food Package Choices.” United States Department of Agriculture, Food and Nutrition

Research Program to the National Bureau of Economic Research, July 21, 2011 to September 30, 2013, \$ 197,696.

Principal Investigator. “Changes in Teen Fertility Before and After Roe v. Wade.” From the National Institutes on Child Health and Human Development to the Research Foundation of the City University of New York. From April 1, 2010 to March 31, 2012, \$164,378.

Co-Principal Investigator (with Silvie Colman). “Laws restricting access to reproductive health services and prevalence of STDs among minors.” From the Robert Wood

Johnson Foundation to Mathematica Policy Research, Inc. and Research Foundation of the City University of New York. From December 1, 2009 to June 1, 2011, \$149,397.

Principal Investigator. “Policy Changes and Pregnancy Outcomes.” From the National Institutes on Child Health and Human Development to the Research Foundation of the City University of New York. From April 1, 2008 to March 31, 2010, \$163,000.

Principal Investigator. “Association between Prenatal WIC Exposure and Maternal Behavior, Health and Birth Outcomes: Evidence from the Pregnancy Nutrition Surveillance System.” From the Food and Nutrition Research Program, United States Department of Agriculture to the National Bureau of Economic Research December 1, 2006 – November 30, 2008.

Principal Investigator. “Does Greater Exposure to WIC Affect Maternal Behavior and Improve Infant Health?” Evidence from the Pregnancy Nutrition Surveillance System. From the Institute for Research on Poverty and the United States Department of Agriculture Small Grants Program to the Research Foundation of the City University of New York. July 1, 2005 – December 31, 2006.

Principal Investigator. “Parental Involvement Laws and Reproductive Outcomes.” From the National Institutes on Child Health and Human Development to the National Bureau of Economic Research. From April 1, 2005 to March 31, 2007.

Co-Principal Investigator, “Parents’ Schooling and Child Well-Being in Taiwan,” National Institute of Child Health and Human Development, DHHS, 2003-2006.

Principal Investigator. “The Use of Twins to Understand the Effect of WIC on Birth Outcomes.” From the Institute for Research on Poverty and the United States Agriculture Department Small Grants Program to the Research Foundation of the City University of New York. July 1, 2003– December 31, 2004.

Principal Investigator. “The Effect of the State Children’s Health Insurance Program on

Immunization Rates: Evidence from the National Immunization Survey.” From Robert Wood Johnson Foundation to the Center for the Study of Business and Government. From January 1, 2003 to December 31, 2003.

Co-Principal Investigator. “Welfare Reform, Fertility and Reproductive Behavior.” From the National Institutes on Child Health and Human Development to the National Bureau of Economic Research. From September 1, 2001 to August 31, 2004.

Principal Investigator. “Legalized Abortion and Crime” from the Open Society Institute to the National Bureau of Economic Research. From June 1, 2001 to May 31, 2002.

Principal Investigator. “Cigarette Taxes and Prenatal Smoking.” From the National Institutes on Child Health and Human Development to the Research Foundation of the City University of New York. From April, 2001 to March, 2003.

Co-Principal Investigator. “Effects of Unintended Pregnancy on Child Development.” From the National Institutes on Child Health and Human Development to the Baruch College, Center for the Study of Business and Government. From April 1, 1998 to March 31, 2001.

Principal Investigator. “Effect of State Reproductive Policies on Second Trimester Abortions.” From the David and Lucile Packard Foundation to the Baruch College, Center for the Study of Business and Government. From July 1, 1998 to December 31, 1999.

Co-Principal Investigator. “Welfare Reform and the Perinatal Health of Immigrants.” From the Health Services Research Administration and the New York Community Trust to the Research Foundation of the State University of New York Health Science Center at Brooklyn. From April 1, 1998 - March 31, 2002.

Principal Investigator. “State Reproductive Policies and Pregnancy Resolution.” From the National Institutes on Child Health and Human Development to the National Bureau of Economic Research. From February, 1996 to January, 1998.

Principal Investigator. “Analysis of Infant Mortality in New York City.” From the Medical and Health Research Association of New York City, Inc. From September, 1995 to June 1996.

Principal Investigator. “Impact of Medicaid Changes on Infant Health in New York.” From Agency for Health Care Policy and Research to the National Bureau of Economic Research. From October 1, 1995 through December 30, 1996.

Principal Investigator. “The Neonatal Costs of Maternal Substance Abuse. From the National Institute on Drug Abuse to the National Bureau of Economic Research. From July 1, 1992 through June 30, 1995.

Principal Investigator. “A Cost/Benefit Analysis of Prenatal Substance Abuse Treatment.” From the David and Lucile Packard Foundation to the National Bureau of Economic Research. From February 1, 1992 to January 31, 1994.

Principal Investigator. “The Likely Impact of Severely Restricted Abortion Laws on Adolescent Childbearing Among Whites and Non-Whites in the State of Tennessee.” From the Rockefeller Foundation to the National Bureau of Economic Research. From March 1, 1991 through February 28, 1992.

Principal Investigator. “Understanding the Dramatic Increase in Low Birthweight in New York City.” From the Henry J. Kaiser Family Foundation, Menlo Park, California to the National Bureau of Economic Research. From September, 1990 through August, 1991.

Co-Principal Investigator. “Race and Ethnic Differences in U.S. Birth Outcomes.” From National Institutes of Child Health and Human Development, Bethesda, Maryland. From August 1988 through July 1991.

Co-Principal Investigator. “The Impact of Induced Abortion on Birth Outcomes in New York City: A Time-Series Analysis.” From the Henry J. Kaiser Family Foundation, Menlo Park, California. From September 1988 through August 1989.

Co-Principal Investigator. “A Time-Series Analysis of Birth Outcomes in New York City.” From The Henry J. Kaiser Family Foundation to the National Bureau of Economic Research. From September 1988 to August 1989.

Principal Investigator. “The Impact of Prenatal Care on Race-Specific Birth Outcomes in New York City. A Multivariate Time-Series Analysis.” From the School of Business and Public Administration, Baruch College, CUNY. Summer 1988.

Principal Investigator. “The Impact of Induced Abortion on Birth Outcomes in New York City.” From the Henry J. Kaiser Family Foundation to the National Bureau of Economic Research. From July 1986 to January 1988.

Co-Principal Investigator. “Demographic Analyses of Risk-Specific Neonatal Mortality.” From the National Institutes of Child Health and Human Development to the National Bureau of Economic Research. From February 1986 through January, 1988.

Principal Investigator. “The Social and Economic Correlates of Pregnancy Resolution Among Adolescents in New York City by Race and Ethnicity: A Multivariate Analysis.” From the School of Business and Public Administration, Baruch College, CUNY. Summer 1987.
